Important Dates/Information

Anakie State School P & C Association would like to extend our appreciation to the Richardson family for their generous jewellery donation, which was recently raffled off on sports day. Congratulations to the Comiskey family who had the winning ticket. A big thank you to Louisa Gittens and family for running the canteen on the day. Also we would like to thank the Anakie Hall Committee and Graham Rogers for their donation to the P&C. It was a fantastic evening and was wonderful to see so many community members and Anakie State School children helping out to make the evening a huge success.

Anakie State School News

15th June 2016

With only two weeks left for term 2 our teachers are very busy finalising assessment and creating reports for all students. It is important that parents take the time to read through the comments that teachers write about each student as this information provides you with details about what has been occurring within the classroom and also ideas on how the students can improve. We value this opportunity to share the achievements of our students with their families and we hope you take the time to discuss these results with your children.

A-E Reporting data provides the school with a wealth of knowledge and you can be assured that we as a staff will be looking at this data in more depth to work out our ‘where to from here’ for each child. We want every child succeeding! The great Theorist John Hattie says that every child be is able to make one full years progress with a full year of input. Whatever starting point that may be, it is our job to ensure that we are making this possible and remembering that each student can and will achieve with our assistance.

After attending the CQ Principals Conference in Gladstone in week 8, I was pleased to hear the same consistent message from our Deputy Director General, Patrea Walton to Regional Staff and even within the workshops of Principals from within the region. Thank you for your commitment to Anakie State School, we have a great school, with great staff and great students, it makes it an absolute pleasure to come to school everyday and I hope that others feel the same way.

**THANK YOU ANAKIE STATE SCHOOL CHOIR**
for your beautiful performance & to everyone who ran in the very first mini Wheelbarrow Race.

I’d like to thank everyone for coming to the 2016 Folk Festival for pitching in and helping with the race and for having fun.

I’d especially like to congratulate the following six children:
- Jesse Petty
- Anneliese Grasser
- Eton Winks
- Angeliah Grasser
- Bryston Roan
- Malieka Roan

Not only were they the winners of the Wheelbarrow Race - They were best of sports and equally shared the Prize money.

I am so very proud of you all!! See you all next year at the 2017 Folk Festival - Kim Thompson

What a busy time we have been having in the garden, our lettuces, tomatoes and corn are growing quite well. Some of the children have helped prepare the extra garden beds so that we can continue to plant more yummy vegetables in our garden. We have also been busy learning to tie shoe laces and will continue to learn how to tie our own shoe laces over the coming weeks.

Big thanks out to everyone for spoiling me during Chappy week! How amazing was the card that the students and staff made and the lovely gifts that were given to me. I’m very lucky to be the Chappy here at Anakie. We spent time during Chappy week in the garden and playing with playdough, we had a great time.

A huge thanks to Kellogg’s for continuing to sponsor our breakfast program with cereal. We will be receiving a new supply shortly from them. We continue to receive awesome sponsorship for our breakfast program from Kellogg’s, Coles and local sponsorship.

Keep Smiling
Chappy Averal
