Anakie State School

Get involved in the School Banking program

Anakie State School is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a silver Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

- Flying Snake Tail
- Wildlife Writer Set
- Mud Splat Handball
- Outback Pat Bag Tag
- Backtrack Eraser Pen
- Jump and Skip Rope
- Bush Fly Fan
- Wriggly Glow Worm

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Getting involved in School Banking is easy!

You can get involved in the School Banking program by opening a Commonwealth Bank Youthsaver account at your local branch. All you need to bring is your current identification as well as your child’s birth certificate. If you are an existing Commonwealth Bank customer and have NetBank, you can open an account online.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is Thursday. Each week you need to bring your banking to the school office.

Over the Easter holidays the P&C rebuilt the Anakie State School sandpit, with the generosity of local volunteers.

We would like to express our gratitude by thanking the Central Highlands Quarry for their kind donation of the fine quality sand, road base and gravel. Also a big thankyou goes out to Gary Deacon for the donation of machinery and labour.

Without this community support, we wouldn't have had such a fantastic result.

Thank you, Anakie P&C.

Our school review – an opportunity to have your say

Our school is scheduled for a school review on the 28th and 29th of April 2016. The Department of Education and Training introduced new performance reviews for Queensland state schools in 2015. The reviews are conducted by the department’s School Improvement Unit.

The reviews do not rate or compare schools but provide independent and quality feedback to help schools continue to improve outcomes for students. All schools have a review at least every four years. Key findings from the review are made available to parents and the community on the school’s website.

As part of the review, the review team would like to hear from our school community and I encourage anyone who is interested to have their say. Your feedback is important and will help us continue to deliver a quality education for students. Feedback can be provided to the review team by phone or in person. All feedback remains confidential.

If you are interested in speaking to the reviewers, or would like more information about the review process, please contact the school office or email the review team at SIUMB@dete.qld.gov.au.

Further information about the reviews is available from the department’s website at: schoolreviews.eq.edu.au

Chappy News

Hi Everyone,

Welcome back to Term 2, I hope you’re all a little refreshed following our nice holiday break. Over the holidays I received notification that we were successful in our application for our Edetable Garden application, we have received a $1000 grant for resources for the garden this year. A big thankyou to the Vanderfield Backing our Youth program and Artesian Foundation for their support in our garden project. We have had some keen gardeners already this week, so I’m sure in the near future we will have made some progress.

Have a great week
Chappy Averal
