Funding amount estimated on 2016 data. Actual funding will be determined after 2017 enrolment data are finalised.

Under this agreement for 2017
Anakie State School will receive

$50,816

This funding will be used to

- Increase the percentage of students achieving at or above National Minimum Standard to 90%.
- Increase the percentage of students who are progressing at or above the required growth between Year 3 and Year 5.
- Increase engagement within the curriculum including STEM, to develop student’s capabilities.

Our initiatives include

- Implement and maintain a whole school approach to Curriculum and Assessment planning that aligns with the P-12 Curriculum, Assessment and Reporting Framework.
- Consistent data analysis procedures.
- Providing opportunities within the school such as the Anakie Coding Club to align with engagement priority.

Our school will improve student outcomes by

- Aligning Whole School policy with the DET P-12 Curriculum, Assessment and Reporting Framework.
- Providing Professional Development opportunities for staff to develop their data analysis skills.
- Purchasing resources that align with STEM initiatives within the school to bring modern technology and engagement to students.
- Providing Professional Development opportunities to develop staff skills in STEM areas.
- Purchasing additional Teacher Aide hours to provide intervention and extension to students, in collaboration with classroom and support teachers.
